My Faith Has Found a Resting Place 405

We who have believed enter that rest. Heb. 4:3

1. My faith has found a rest - ing place—Not in de - vice or creed:
 2. E - nough for me that Je - sus saves—This ends my fear and doubt;
 3. My heart is lean - ing on the Word—The writ - ten Word of God:
 4. My great Phy - si - cian heals the sick— The lost He came to save;

I trust the Ev - er - liv - ing One— His wounds for me shall plead.
 A sin - ful soul I come to Him— He'll nev - er cast me out.
 Sal - va - tion by my Sav - ior's name— Sal - va - tion thru His blood.
 For me His pre - cious blood He shed— For me His life He gave.

Refrain

I need no oth - er ar - gu - ment, I need no oth - er plea; It

is e - nough that Je - sus died, And that He died for me.

Drs. Phillip and Kikelomo Togun and
ChristLove International Christian Ministries,

Congratulations on achieving an incredible
milestone of 24 years of dedicated service to the
body of Christ!

As you celebrate this momentous occasion,
remember the countless lives you have touched
and transformed along the way. I join a global
community of supporters in extending heartfelt
wishes for a joyous anniversary to your church.

May our loving God, who reigns in heaven,
continue to shower you with blessings from one
glory to the next. Your journey has been guided by
His hand since the very beginning, and His
unwavering goodness has carried you this far.

God bless you abundantly!

DR. SOLA TOGUN-BUTLER

I HELP FEMALE PROFESSIONALS GO FROM BURNOUT TO BALANCE USING A REALISTIC SELF-CARE TOOLKIT THAT FITS THEIR BUSY SCHEDULES

About

Dr. Sola Togun-Butler is the founder of Butterfly Counseling Services, P.C. and the founder of Transformative Coaching & Counseling, LLC. She is a psychotherapist, certified professional life coach, and educator. She manages a thriving group practice with over 15 years of experience working with a diverse client population.

Dr. Sola now focuses her time and energies on helping female professionals go from burnout to balance by creating burnout free, low-stress lives so they can be the best professionals, romantic partners and parents they can possibly be.

SHE CAN DISCUSS:

Self-care techniques specific to the needs of busy female professionals that actually crush burnout

How females professionals can change unhelpful thoughts and emotional processes that are causing burnout in the first place

Designing daily self-care strategies for busy female professionals

How female professionals can transform their emotional and cognitive health
