THE VICTORIOUS CHURCH

BY PASTOR KIKELOMO TOGUN

The victorious church is a church that is sold out to Jesus and will not allow any law or love of money to defeat them; they stand up strong in the name of the Lord and will not compromise the word of God. A victorious church is not for sale like many that have compromised the word of God. Peter, in the Bible, told Simon the sorcerer who offered him money for the gift of the Holy Spirit: "May your money perish with you".

Jesus Christ is coming for a victorious church, a strong uncompromising church,

not a defeated church. The church needs to be strong today and stand up against all the wiles of the devil. The devil is really attacking the church and the church has allowed the love of money, the lust of the eyes and the lust of the flesh to defeat them. The church has become the prodigal church, worshiping God with their lips while their hearts are far from Him.

They go to church to entertain themselves instead of God. The evil powers are out to destroy the church. This is war and we are soldiers for Christ and we need to put on our whole armor as described in Ephesians 6:10-18. So we have to be vigilant and watchful.

1 Peter 5:8 states: "Be sober, be vigilant, because your adversary, the devil walks about like a roaring lion, seeking whom he may devour".

DARE TO BE A DANIEL

BY DR. PHILIP ADEMOLA TOGUN

We see in Daniel 6: 1-17 that Daniel refused to be bullied into idol worship. He had a lot to lose by refusing to toe the line – position, power, even his life. The song, Dare to be a Daniel, by Philip Bliss, sums up Daniel’s life:

Dare to be a Daniel

Dare to stand alone

Dare to have a purpose firm

Dare to make it known.

Jesus said that we are to be the light (Matthew 5:14) and salt (Matthew 5:13). Being light presupposes that there is darkness. Being the salt means that we, by our Christian living, should enhance the “taste” of life around us – the sanctity of life, marriage, morality, etc. But what do we have? A church bullied into silence by a vocal minority – the “political correctness” crowd, a flaky Christianity that does not want to offend people, a diminishing influence because the world has entered

the church, and the feel good/prosperity gospel that sees God as a vending machine in the sky, a God who gives everything without asking for anything in return.

A look at Christianity in other lands reveals courage under fire. (Courage is fear that has said its prayer). An Arab boy in a North African country was beheaded for refusing to renounce Christ. A 14-year-old girl in Bhutan was given an ultimatum: return to Bhuddism or leave the country. She chose Christ and was expelled from her native country. Christians in Muslim, Hindu, Bhuddist and communist countries endure daily persecution because of their faith in Christ. Despite the persecution, there is explosive church growth wherever Christians are persecuted. Meanwhile church growth is virtually stagnant in the West.

We need to stand on the promises of God instead of sitting on the premises. Jesus said, “I will build My Church and the gates of hell shall not prevail against it” (Matthew 16:18).

May God help us to be like Daniel.
